The spa business website template Sparlex is free, easily navigable, and simple to use. It is rooted in the latest technologies, such as Bootstrap 5, **HTML5, and CSS3.** It is rich with icons and fonts library, as the theme incorporates icons from Bootstrap, Font Awesome, and Google Web Fonts. Besides, the theme is written with a clean, well-commented codebase to be easily readable by search engines. So, you can rank higher in search engine results with this template. All the pages are optimized for speed and take quicker time to load. Thus, the theme reduces overall wait time and bounce-offs, increasing interaction and sustainable growth.

Free Responsive Bootstrap 5 Business & Corporate Website Template

Moreover, the clean theme has all the necessary UI components on it. It has a sticky top navigation bar with a drop-down and search option.

The hero section has a hero image, header carousel, and call-to-action button with on-hover effects. The services section has an appointment card UI and a schedule card. Features like **fun fact counters, a gallery with tabbed content, testimonial carousels, geolocation, and a detailed footer with footer navigation** make it easily accessible. With its **pricing plan, breadcrumbs, and contact form UI,** you can surely provide your clients with a modern user website. Furthermore, all the components respond flawlessly to all devices, regardless of size. The theme has fewer cross-browser bugs and runs efficiently on all user agents. Enjoy your next creation with Sparlex!
